Pool Rules

Please Initial: _____

-  All dogs must be leashed while in the clinic except when in the pool.
-  Owners assume full responsibility for their dog and its behavior while in the clinic, including their dog's interaction with other dogs.
-  Please attend to your dog at all times. There is no doggy life guard so this is especially important while your dog is in the pool.
-  No throwing of dogs into the pool.
-  Children must be under parental control at all times and may not get into the pool with a dog.
-  No food or treats in the pool area.
-  No running by humans on deck or around pool.
-  CRCG personnel reserve the right to ask overly aggressive dogs to either take a time-out or to leave the premises altogether.
-  If your dog is cranky or has a lot of doggy personality, please ask for assistance from CRCG personnel. We will help facilitate interaction with other people and dogs.
-  Incontinent dogs are not permitted in CRCG's pools for health reasons.
-  Please let CRCG personnel know if there is an accident in the pool area so it can be cleaned up. (Pee/Poop/Vomit)

-  We strive hard to maintain a clean environment for our clients, so if your dog is especially dirty, please bathe your dog before using the pool or rehab equipment.
-  Walk your dog prior to entering the pool and take your dog outside every 10-15 minutes while swimming. Repeated in-pool/pool area accidents may result in a pool ban for your dog.
-  The pool is available on a first-come-first-served basis during normal hours of operation.
-  Make sure your dog's paws are clean. The mud from the hills around the facility makes it impossible for us to maintain a clean facility for you.
-  All doors and gates to pool room must be closed at all times. Please do not slam the doors.
-  Dock diving is restricted to reserved time only.
-  Ramp into pool is restricted to CRCG personnel and dogs.
-  All non-swimming dogs must be on leash. The pool deck is not for play. If your dog is disrupting the other dogs on the deck you will be asked to leave.
-  Please make sure your dog does not obstruct the ramp for other dogs. Throw toys for your dog(s) to keep them from standing on the ramp for extended periods of time.
-  If your dog needs additional help after the initial swim, the rate for swims with assistance will apply.
